Here's something that I found to be interesting about how truths are 'Spun' to meet the agenda of those doing the 'spinning'.

I think most of us are aware of most of this, Bro. Freeman pointed a lot of it out years ago.

But there's a lot of info as to how the media manipulates the general public and influnces peoples opinions.

The god of this world is very clever and deceptive and so many are blinded by his tactics.

It's kind of lengthy and sounds a bit like it's written by one with conspiracy fears, yet there's much truth in it.

Perfect example, Swine Flu....."worldwide Epidemic", they (pharmaceutical companies) used fear to make hundreds of millions of dollars...how? The media.
