
Subject: Anyone remember a book called "Pigs in the Prayer Room"?

I seem to recall being really intrigued and pretty much creeped out by this book as a kid, but now anyone I ask about it seems to have no recollection of it. I floated around during the FA days.

Anyone know the author or familiar with the book?

Thanks.

There was a book called "Pigs in the Parlor" but I never heard of "Pigs in the Prayer Room"

Ahhhhhh. That's probably why I can't seem to find it. I got the name wrong.

Thank you.

I have the wrong book! I was thinking about "Out in the Name of Jesus" by Pat Brooks

I thought the book was called "Pigs in the parlor". I could be wrong though.

Well, I was probably 10 when I read it, so you can imagine why I'd be creeped out. Glad to know the name and that it's still in print.....

Ok, I can't resist! (My guys say I have a "unique" sense of humor.)--I hope there are not "pigs in the prayer room"--unless the people who bring them in want to leave without them. - That's a great place for God to heal and deliver as long as we don't accommodate the pigs (demonic) by religiosity or shame or... .

Also, I think it's great that you're interested, "a barn kid!!" I agree that the book is a good one. It gives a good overview of the demonic for starters if it (like a lot of things) isn't taken in a legalistic way as the last word on the subject.

How much of a "kid" are you? I'm so new I haven't had time to poke around and find out. Have a good day...isn't it great God's already gone before you?

I know the book well and I can order it through my distributors and carry it in my store. I was surprised to find that book, and other books by the Hammonds still available, and with a fair amount of interest.

blessings,
Yeshuafollower
