I put a printable copy of the notes here if anyone wants to print them off. It should download with all the formatting. I would take it to a computer warehouse type store and print them off as using a home printer is quite expensive.

There is an option to print off the page but it didn't seem to work well for me.

Hey Mark, did you see that the Youtube guy, that has been uploading HEF messages, has started to upload the OT Theology series? I thought about sending him a link to your notes on here but I didn't want to seem too presumptuous. If you think it would be okay I'll send him the pdf, or better still, you could send it to him! He uploaded #1 today (10/24/2020).
