If you need help with anything you can send me a private message and I'll get back to you as soon as possible!

I created this area after reading the messages on factnet.org. I had done an Internet search for some things relating to Faith Assembly / Hobart Freeman and for the most part came up with sites that bashed the movement. I know that there were bad things that happened to a lot of people, but I also know that there was much good that resulted from the teachings we received at Faith Assembly. Hopefully this message board can focus on some of the positive aspects of Hobart Freeman's ministry.

For those who have had bitter experiences I've created the Rant/Rave section because I believe that we all can learn from those who have suffered and maybe we can extend our hand to help those who need healing.

I'm posting some "starter" messages that I've written through the years and hope that you all will do the same and feel free to post disagreements!

A better picture?

...Let not him that girdeth on [his harness] boast himself as he that putteth it off.

When you get bold enough to show your mug then you can chide... or better still, hold your

tongue.

Welcome to the forum, David... er, Jeremiah.

I'm waiting patiently to hear what the hoary headed one will say for himself!
