As I'm sure you all know President Trump is talking about annexing Canada and making it the 51st state. He has sure got us natives here in a tizzy.

So just in case its been a long held dream to move to the 51st state here is who and what we are. If nothing else it has a catchy tune.

Now that's fantastic! They were able to get every famous Canadian who ever lived (with only a few repeats) into that song. They even made the weather seem palatable... almost!!
