This is a sermon by David Platt, pastor of The Church at Brook Hills in Birmingham, AL. I have made comments over the years about the shallowness of the 'denominational system' and so quick to lump them all together. Here is an example of a sound, Biblical call to repentance and a turning unto God....in a Southern Baptist Church.

If the link doesn't work every time, just go to YouTube and type in "repenting of sin and returning to God" David Platt and it will bring it up.
