Brother Don Langebartels went to be with the Lord over the weekend. Don't know if any here had set under his ministry. He headed up the Zion Lake Christian Camp near North Vernon.

I have a lot of good memories from that place. Back in the day there was a Seminar held there every weekend in the summer with most of the ministers from Faith Assembly coming down and preaching there. Tom Hamilton and other ministers from around the country preached there also. I remember the summer camp was a great ministry to the youth. Remember to pray for the family.

Sadly missed but with the Lord.
