I have two music video from the site ( Your Face Lord Jesus),  
That has uploaded many of Dr Freeman teaching.

I am using Music and Worship # 3 in the nursing homes for Praise and Worship.

I need clarification on some lyrics on Worship # 2 video tape  
so I can post Lyrics on the the screen when we sing Praises.

1) at the 27:50 time mark,  
I need lyrics to 2nd verse (Jesus Name above all names)

2) at the 34:50 time mark,  
I need all the lyrics to ( Let God be Magnified)

Thanks for your help

Blessings

Hi Ron,

Do you have a direct link to the songs? The "Jesus Name above all names" sounds familiar but  
I'd need to refresh my memory before I can help!

Blessings,  
William

I think I've found them. Here's the link: (It's on the 2nd Worship Tape)

<https://www.youtube.com/watch?v=H9noG9vtwUg>

(27:50)

Jesus, Name above all names, beautiful Savior, Lord of all...  
Emmanuel, God is with us, Blessed Redeemer, Living Word...  
I Am the, Light of the gentiles, Lord God Almighty, Prince of Peace...  
El Shaddi, God is sufficient, Shepherd of souls, King of Kings...  
Repeat

Here's the next one:

(34:50)

Let all those who seek thee rejoice and be glad,  
Let all those who seek thee rejoice and be glad,  
Let all those who seek thee rejoice and be glad,  
Let God be magnified!

Let God be magnified,  
Let God be magnified,  
Let God be magnified,  
Let God be magnified!

Now here I would need some help... surely someone will chime in with the rest of the song.

I do remember that almost all hands would be raised up with the first song and with the second one we'd all be dancing!

Blessings,  
William

Oh, forgot to post the link.....sorry

Thank you William,  
I know someone will have insite on the last song.

I used Worship Tape #3 last week as my music for worship,I would pause between songs and give them back ground scriptures and let them catch their breath. They were rocking them wheel chairs,they loved the worship. I'm not there to entertain them, but to share Gods Word and to lead them in Praise and Worship and they appreciate that.

Blessings

That sure brings back good memories.

The second half is

Let such as love thy salvation say  
Let such as love thy salvation say  
Let such as love thy salvation say  
Let god be magnified

I got my old guitar out a few weeks ago and started playing again. Hard on the fingers. :) Going through all my old songs. Mostly simple stuff but very enjoyable.

I believe this is right:

I came to glorify His Name  
I came to glorify His Name  
I came to glorify the Name of the Lord  
I came to glorify His Name

Whoso offereth praise glorifieth thee  
Whoso offereth praise glorifieth thee  
And to him that ordereth his conversation aright will I show the salvation of God

I came to glorify His Name  
I came to glorify His Name  
I came to glorify the Name of the Lord  
I came to glorify His Name

Whoso offereth praise glorifieth thee  
Whoso offereth praise glorifieth thee

And to him that ordereth his conversation aright will I show the salvation of God

Blessings,  
William

Just a side note of Praise, on Wednesday I do Praise, Worship and Bible Study on the Assisted Living side of the nursing home, that is attended by a retired United Brethren pastor, and he only likes traditional hymns and very few new songs. Last week we introduced Faith Assembly praise and worship music to the people and he wasn't quite sure about it. This week he was the loudest one singing praises, little did he know that he'd be singing praises from the notorious Faith Assembly clan....

Just a update on what God is doing in Van Wert, Ohio.  
A few months ago the Lord spoke to me about doing Praise and Worship at the County Fair, and I said ok.????? Then I started thinking, how am I going to pull this off, I wasn't doubting, just thinking (smile) Last night I meet with the man that takes care of all the music and stage production at the Fair and ask him if there were any open spots between shows that we could do Praise and Worship especially at the Gospel Tent.....He said Yes !!!!  
He said I could have time after the combined church service that he will be conducting on Sunday and will give me times and dates for all other open sessions. Thank you Jesus !!!!!!!

The plan is to use the 2 Praise and Worship sessions from Faith Assembly that I got off the internet put the lyrics up on the big screen,turn the volume up,then let the Holy Spirit do the rest.

Jesus said, if I be lifted up I Will draw all men unto Me !

The Van Wert County Fair Aug 27-Sept 2

Blessings

Thats great news. The Lord has been impressing me to get back on my guitar. Oh my fingers!!  
On a personal level praise and worship is very useful in trial or even if one is feeling down.

I hope you get those fingers back in shape soon, people are tired of being entertained, they long

for true heartfelt worship. I rotate teaching on Wednesday evening, this last week I told the pastor that I needed the monitor and the sound system on. I put the lyric up from the FA Praise # 3 we talked thru the first few songs then spent the next hour in Praise and Worship. Many of the older people said they hadn't worship like that in years, Thank you Jesus !! One sister said "that was the most purest form of worship, singing Gods Word". Many asked for copies of the music, I gave them links to the site, others asked when I was going to do a repeat, I said July 17.

Praise you Jesus !
