Came back to show some love. To edify with scriptures.

Ps. 85:6 My ministry technique is to put scripture addresses and have my readers look them up. This is so the Holy Spirit can show even more when he wants to.

Ps. 85:6 If God revives a people they will rejoice. Not with rock music or music by heretical worship musicians. For those who walk with God daily will receive greater anointing. The key is to not grieve the Holy Spirit. The best one can do is be led by the Holy Spirit then they won't walk into deceptive circumstances. Gimmicks to draw crowds goes way back to bring offerings to make false ministry rich.

One popular female minister who teaches heresy, also has many homes. including \$2,000 dollar toilets. Many follow her and buy her materials.

Ps. 138:7 This is a great promise. In trouble and trials God's right hand will deliver us. The revive there is when pulled down, God will raise you up. Remember the trying of our faith is more precious than gold. 1Pet. 1:7

Isa. 57:15 We were born into the world with their teaching that we are very special and greater than God. God has a secret--- I will do anything and everything for the humble. best of all, he will meet with them daily. Are you looking for the rivers of living water? It will take a spiritual yacht to stay above so much water.

Hab. 3:2 I pray that you will find this reviving. I have visits with Jesus every day. What Jesus told Thomas - blessed are they who have not seen yet believed. I have a hard time putting his word down. It is marvelous.
