Not sure how long it will last.

You don't need a kindle to read the book, btw!

So what's a Kindle? LOL...

I scrolled down the page and read the first customer review, a perfect example of the pride of educated men.(not that being educated is in itself wrong, it just makes exercising FAITH in GOD and His WORD much harder...wisdom of man vs Wisdom of God)

But make no mistake, that very person who wrote that review WILL bow his knees and WILL know that JESUS CHRIST is both LORD and SAVIOUR, I pray he comes to that knowledge in time to repent and make Him his Lord and Saviour.

Actually there are Biblical prophecies that describe people exactly like him, so in effect he is helping fulfill prophecy that he doesn't even believe to be 'real'...He will see that the "nonsense" of which he speaks is in FACT the only thing that will make 'sense' in the Day of Judgment, all his wisdom that he so proudly shares with the world will be of NO value before The very God who created him.

Oh! That men everywhere had the simple childlike faith to believe. If anyone reading this has that faith, to believe having not 'seen'(except by the eye of faith), I encourage and exhort you today to, give God thanks and praise because it's ONLY by His Grace and Mercy that we 'see' and 'believe'...

Thank You Jesus.
