Anyone know?

Also, I think Jenni Stoffel was pretty cute and a Shoemaker too, Traci or Vanessa?

We moved to Indy when I was about 13, so I don't remember the names too well.

Well I do believe they are all married, so sorry Charlie!

Kara lives out west somewhere, married with children.

Kathryn married Nate Shoemaker, and they live in the Northern Indiana area. My wife helped deliver their last baby.

Krista is a teacher. Married.

Not sure about Brooke and Rachelle.

I just realized this morning the audience that might read my last post and thought I should clarify. My wife is a Doula and works for a doctor. The baby was delivered in a hospital under his direction.

My wife and I had one baby at home, my other children were born at a hospital. Thank God they were, if not my second child most surely would have been lost. It was a traumatic birth and it was only the doctor's vast knowledge that saved his life.

I did indeed think what you thought we might think (given the audience), so thanks for the clarification.

Glad to hear that your wife works at a hospital with a doctor!

Yeah that's a good point.

I guess I will just have to settle for all these hot South Florida gals!

Oh, I've been letting my light shine, and doing some 'witnessing' to the Canaanites (and rebuking the occasional Pharisee, mind you) in the bars and pubs from West Palm Beach to South Beach

Sounds like something Jesus would do. The witnessing in bars part, not the trying to pick some up on a website part
