Bro. Willis offered the 3 year course which was a faith based teachings and it came by mail. I am not updated on his ministry but at that time many years ago it was very edifying. He was huge on the teaching of watching the tongue and speaking God's word.

In short his testimony was that he was a criminal caught in printing false money. He found Jesus in prison and was filled with the Spirit. He prayed for favor with the judge. God gave him a vision and saw the judge setting him free. He had prayed that if God would free him he would preach to the glory of God for the rest of his life. He kept his word and God did free him.

through the years I have seen those who were Godly and fell and others who were very ungodly and became great for God.

I am hopeful that his ministry has continued to bless and stay error free.
