Its the season right? 8o I caught the tail end of this song as I went to bed last night. I'd never heard anything so beautiful. I had to look it up first thing this morning. I hear songs like this and it makes my heart yearn for the Lord. One of the deepest desires of my heart is to be part of that Rev 14 group that sings a song no one else can learn.

I don't know if he was a Christian or not. Its partly in Hawaiian.

I think I know what you mean, it's almost like you're transported into a different realm. That's a song that can become a sing-along in tongues!

Blessings,
William

Of course I'm probably the only person in the world who's never heard that song before!
