My wife was having a very serious trial .
She had a heart condition and at times, her heart would misbeat or misfire and
not pump the blood as it should. She would turn pale in color and it was hard for her to
breathâ€¦â€¦
she looked like death warmed overâ€¦this would go on for a time. Then it would return to a normal
rhythm pattern.
One night a few weeks ago, after I had gone to bed, The trial escalated, she became very
Weak, she could not breath , she could hardly moveâ€¦â€¦Fear started to set in ! Should I
wake Ron to take me to the ER ? Can I even get to the bed room to wake him ? NO !
She cried out to the Lord, and God Healed her at that moment. Totally and Wonderfully
Healed. Praise Jesusâ€¦.She shared this blessing with me the next day.

 Oh By the way, She isâ€¦. or should I sayâ€¦.was a Nurseâ€¦.Now Trusting God for
Her Health And Healing and Not Medical Science. She didnâ€™t even wake me up to pray
for herâ€¦..She trusted God and God Alone ! Does it get any better than That !?

This week she started bleeding, like the woman with the issue of blood.
(She is 54 and all that woman stuff had stopped over a year ago(menopause)
The pain was so bad it would almost cause her to past out.
Her first thought was, should I call the Doctor ? No !
I will go to God Word and trust Him to take care of the problemâ€¦So be itâ€¦â€¦
Healed again !! Pain goneâ€¦.Bleeding Stoppedâ€¦.Praise Jesus !
No ! She didnâ€™t even ask me to pray for herâ€¦whatâ€™s up with that !?(smile)

Thank you Jesus !

I don't think so, that's wonderful!

Sounds like when she read where Jesus said 'be it unto thee according to thy faith', she decided to BELIEVE IT.
I can't even begin to know how much that must have blessed you, Ron.

Thanks again for sharing of the wonderous works of our Lord and saviour, Jesus Christ.

I was blessed to be able to pray with a new babe (60 years old) in the Lord a few weeks ago for the Baptism of the Holy Spirit. Her language was not manifested until later that evening, but she said after that, she could not stop!

I gave her the tract on Occult Deliverence and the Faith book. I told her to study them. I am believing to pray with her for that as well. We will see how He leads.

It was so exciting, to me, to get to do this. It has been awhile for me. I have been storing up FA materials just for this purpose.

His mercy is everlasting to all who come to Him in any situation. In Jesus Name, I am like that too, regardless of any circumstance. He is a Mighty and good God.

I praise Him and thank Him for sparing me and my household from the eternal flame of Hell. For me, it is time to walk softly upon this earth and listen for His voice. I then, want to react according to what you brothers have been writing about lately.

Blessings,

GWB

Blessings GWB.

Thank you for that praise report.

It`s wonderfull to know that there is still some contending for the faith and especially the infilling of the Holy Spirit.

What a blessing that you was able to lead this sister into the baptism. I know she will be eternally grateful.

Keep up the great work in the Lord. He still speakes to us in that still small voice. If we will but listen His desire is for us to Glorify Him.

Thank you again for sharing.

Great news!

It's been awhile since I was able to do that as well... it is an awesome experience to see the Lord

pour out the Holy Spirit on His children.

A joyful occasion!

Blessings,
William
