Hosea 14/9 Who is wise and he shall understand these things. Prudent and he shall know them.

The book of Hosea was written mainly to show one truth. The Spirit of Whoredoms its effect causes and results. There is a lot in the book but I want to deal mainly with the Spirit of Whoredoms. But first some detail.

Hosea 1/2 sets the tone for the entire book.

Literally . . . The Land in whoring has whored

After Solomon's death because of his unfaithfulness the kingdom was divided. The northern 10 tribes became the kingdom of Israel and the southern 2 tribes (Benjamin & Judah) became Judah.

The two issues in the book are Israel's (northern kingdom) unfaithfulness to God and the reasons for it. In the first 3 chap this is expressed through the prophet Hosea's life.

He is commanded to marry a "œwomen of Whoredoms" (Hosea 1/2-3) Which he does in marrying a woman named Gomer. I think this is referring to a woman with an unstable heart which is later borne out when she leaves him and runs after other men. They have 3 kids all given prophetic names by God

1. Jezreel - Israel as a kingdom is going to cease
2. Loruhamah "œ He is not going to have any more mercy on them.
3. Loammi "œ They are no longer his people & he is not any longer their God

Eventually Gomer runs away after other men and God commands Hosea to go find her and bring her home. When he finds her she is apparently in some sort of slavery because he has to buy her back.

The final 10 chap of the book are a series of somewhat unrelated prophecies. Sometimes the Hebrew prophets would just throw all the information in and expect the reader to sort it out for themselves. This is the case with Hosea. Other of the prophets would carefully document everything sometimes with the day and month.

As I said Hosea just threw everything in and expected us to sort it out. There is some very deep stuff in this book and I don't pretend to understand it all. I do understand some though. As far as I am aware I have never heard anyone talk about a Spirit of Whoredoms. I looked around on the internet and couldn't find any significant info there either

One other significant detail about Hosea is his use of the the term Hesed. Or Chesed. Which is love or kindness expressed as part of a covenant. The point being that Israel may not be faithful but God is going to be. He is rejecting them and exiling them but because of his "Hesed" he is eventually going to bring them back. Hosea 3/4

Some yrs ago the saved members of my family (6 of us) started meeting weekly to pray for our family. We did so for several yrs. What I am sharing here came from what the Lord showed me in those times of prayer.

The book of Hosea is dealing with this one subject in the entire book.

Hosea 5/4

Hosea 4/12

KJV Sp. of Whoredoms

NIV Sp. of Prostitution

NASV Sp. of Harlotry

It was the cause of Israel and Judah's turning away from the Lord and shows Gods attitude toward it and its results. It should be said here that there is no relationship between this spirit and any kind of fornication or sexual activity. None whatsoever. It is entirely spiritual.

This spirit comes into a family / person / region / nation after God gives light & salvation and understanding and then the people backslide. This happened in my family. In the Welsh revival of 1905 my family got saved and eventually the family walked away from the Lord. Or they didn't go on living in the light they had. They didn't teach their children the ways of the Lord and eventually the door opened and this spirit came in.

When salvation and understanding of Spiritual things is given and not walked in or ignored or forgotten about in a nation or family or person eventually the door opens and this spirit comes in and eventually when it really gets a hold it prevents them from returning to the Lord.

John Wesley said in his comments on Hosea 4/12

. . . they have a heart ensnared in Whoredoms. It blinded and deceived them.

He phrased it that way because he understood it.

Ezek 16 is dealing with the same subject. Spirit of Whoredoms

2Thessalonians 2/9-12 in this vs you see the final stage of a spirit of whoredom expressed through Gods sovereignty ie . . . God shall send . .

Jer. 44 especially vs 15-19. completely deceived.

How does it work

Blinds their minds so they cannot see and understand. Believe a lie.
Interferes with the circumstances of their life so they don't hear the Gs word. Which will give them light. Or the parable of the sower. (hard ground/ wayside)
It takes away the strength of their heart so they cannot stand. Do not have the strength to resist or fight.
Turns their heart so they don't want to return to the Lord

It also has a human component Hosea 5/4 (they will not frame) & 11 Thess. 2/9-12-- (because they received not). There comes a point where the spirit will completely overcome the person and they are just too far gone to come back. Until that time the person can still by one means or another get back to the Lord if they really want to and persist.

I think this originally came into Israel in the later times of Solomon's reign. 1 Kings 11. It came into the nation and then fought tooth and nail to dominate. Because of Solomon's sin God divided the nation. The 10 northern tribes almost entirely forsook the Lord. Eventually going into the Assyrian captivity.

The southern tribe Judah (and Benjamin) took longer but eventually suffered the same fate with Babylon (and for the same reasons). The book of Hosea was written right at the time of King Ahaz. 2 Chron.28/22-23.

The spirit of Whoredoms is often found working with a spirit of witchcraft. Which is interesting because they are both doorkeeper or control spirits. Meaning they are a higher level of strength and intelligence and ability and have other spirits working for them.

Isaiah 57/3 literally . . . sons of the sorceress and she will commit whoredom.

11 Kings 9/22 Whoredoms and witchcraft s (words in the bible are not put together by accident)

Nahum 3/4 This entire book is dealing with Gods judgment on Assyria which for a time ruled the entire OT world. This vs tells us why they succeeded.

Without going into too much detail it is quite interesting to me that my father with a family controlled by an ancestral spirit of witchcraft married a women with a family controlled by an ancestral spirit of Whoredoms. My mothers family forsook the Lord and it was the later generations that paid the price.

Some thoughts and characteristics of this spirit. Some of these are very strange but they are on the page so I'm including them. It should be said here that there can be other reasons for these problems. But these are in Hosea and the spirit of Whoredoms is one big reason why people have them.

1/ Chronic backsliding

2/ Hosea 4/6 You are unable to protect your children. This absolutely characterized my family. When I was a teenager my mother got saved and filled with the HS and started fighting against the devil with the result our entire family got saved.

Is there anything more tragic then being unable to protect your children? Ancient societies (and some today) even including King Solomon sacrificed their own kids to evil Gods. Why would normal ordinary people do that? Why would otherwise normal, understanding, supposedly intelligent people sacrifice their own children through abortion? And see nothing wrong with it!

3/ Hosea 4/3 Land will languish “no prosperity” diminish ordinary. I think it means the ordinary things in life. Money health kids do well etc.

4/ Hosea 4/3 Very interesting it says this . . . the fishes of the sea also shall be taken away. Odd? In Canada we have a province called Newfoundland. It joined our confederation in 1949. Before that it was a British protectorate. The entire NFL economy was built on the Cod fishery. The school system there was coordinated entirely by the Anglican and Pentecostal churches. Some yrs ago there was a strong move by the secular authorities to remove education from the churches. Well about that time the Cod completely disappeared. The Govt still isn't completely sure why. I think there is a direct connection.

5/ Hosea 4/7 Shame will cover you. Know anyone like that? It sure characterized my family.

6/ Hosea 4/11 Ezek. 16/30 Unable to stand strong in your life “take away your heart. Lots to say here. Says it several times throughout the passages.

7/ Totally unaware of evil in your life and being done to you until it is too late. A spirit of stupor. Unaware of what is going on around you until it is too late. You just don’t see.

8/ Hosea 4/5 I will destroy your Mother. I don't really understand this but it is there on the page.

Eventually when that spirit gets control.

God will withdraw his justice
Won’t requite wrong
Given over those hate you
Won’t protect the innocent
Barrenness in all your life
Lack of prosperity
Enemies not just hurt you - but pursue to destroy

There is lots more that could be said here about characteristics but this covers the basics. These things happen not because God is mad at people but they are spiritual laws. They are the

activities of an evil spirit that get entrance into a persons life or family or country.

I think this spirit is a major force in our western world. All our countries of course but particularly America. It has had more light than any other nation outside Israel. And for all practicable purposes it has forsaken it all. Why spirit filled Christians think they can fight these principalities with secular courts and political power is beyond me.

The Holy spirit said by prophetic utterance through a prophet yrs back "that fighting the enemy (who is a spirit) with these weapons is like fighting an enemy tank with a sling shot."

In my opinion this spirit is a major force in our western world and particularly America. And its going to get much much worse

Whoredoms and Witchcraft they go together in the bible. I believe they have not yet reached the height of their power (particularly in America) and they are controlled by even more powerful personalities. Spirits of Wickedness in high places.

One last point here.

Hosea 4/12 is there any difference between listening to their staff and the atheism all around us today. They look at the world around us and say their is no God. Solomon said the fool says there is no God
