I posted some of this material a while ago on a another thread. I wanted to post the rest of it in a systematic fashion so I'm starting a new thread with all the material.

Also instead of typing out Prophet and/or Apostle every time I'm going to abbreviate to A/P or A or P. Also I'm going to use the two words interchangeably unless I specify otherwise. Because most of the material applies to both ministries. As always I'm abbreviating Holy Spirit to HS.
