FB page Hobart Freeman 2020
Making the claim Freeman taught a lot of doctrinal errors...
Quote Everytime he taught it was full of errors..

What a deceptive hypocrite to use Dr.Freemans name..
To come against Freeman teaching..

I told Him ..and was blocked..

Praise the Lord

Wow! What a shame. What with that guy uploading all of those HEF messages on YouTube it would be pretty tough to maintain a stance like that!

I am loving that OT Survey series currently being uploaded.

Blessings,
William

BTW. I do wear glasses now at 68. And help my bachelor neighbor put up his impressive outdoor Christmas display every year. With the elaborate manger display and star in front of my window.

Smith Wigglesworth and other generals of God. had his critics back in his day for reading glasses. But he would put them on, start to read and then they would slide off his nose and he'd continue right on reading.

But this takes away absolutely nothing from the message of divine healing.
Putting on glasses never killed anyone.
Going into surgery or chemo does.
Often.
