I was wondering if anyone could help me out with something. I have been searching for years for certain tapes and documents and books by Brother Freeman. I also have been trying to find books by Clair Grace and Anna Schrader or any information about them. They just seemed to disappear from history.

Here is a list of some of the items I have been looking for:

- FA Membership Requirement Sheet.
- Geography and Archeology Course Tapes
- Br Freeman expounding on incorporation
- Dr Freeman's Hebrew course
- Ministering by the spirit at FA
- The original Psalm 91 & Faith Series tapes
(not the remake)
- Books written by Claire Grace and Anna Schrader
- Series 4060 in Christian Ethics: tapes 4060-33
through 4060-38 on Marriage
- Music from FA
- Any other unpublished Book, article, tape, outline
by Brother Freeman

Hello Don,

Are you the Don Mook who taught the Greek course at the new building?

What is your opinion on the Amplified version of the Bible?

May I ask your desire concerning this endeavor of completing the entire works of FA which are not offered by the FA office and can only be obtained by those who actually attended FA?

Please don't be offended by any detailed questioning. Reason being....your list is quite detailed

and knowledgeable of what is not obtainable by FA ministries.

Yes, I have most of what you want. That Hank, who had the bookstore at the barn and the original tapings of FA, was awesome.

It would be informative and helpful to share with me what information you have from the "old days."

Maybe we could work together to share all of this valuable info on OvercomersOnline. That way, all would have access to it. Let me know what you think about this idea. I need help outlining tapes. Would you be up for the challenge?

Hello,

Yes I am the who taught the Greek course at Faith Assembly many many years ago.

I was a part of Faith Assembly for many years and I feel that a lot of teachings, admonitions, etc. were given by the Lord through Brother Freeman to and for the body at Faith Assembly.

I believe that I can after these many years profit greatly from the music, admonitions, handouts, courses, etc. delivered through Brother Freeman.

At one point Brother Freeman handed out a sheet of the requirements for being a member of Faith Assembly. This sheet contained ten requirements. Somewhere over the years I lost my copy. I believe these requirements would be valid for any body in any age. This is why I have been trying to locate another copy. I want to make sure that I meet such requirements.

Yours in Christ

Don Mook

Thanks so much for your response to my questions.

I also believe Dr. Freeman was used of the Lord to bring forth much needed teaching for the body of Christ. I believe He is still using all of the info to benefit those who want to learn about His Word.

I am in the process of sharing the info I have here on OO. I have already posted the outlines and they are there to bless everyone who wants to use them for study, etc.

In the beginning I was concerned about the rights of this info regarding Faith Ministries. I certainly would not want to misuse the information or step on any toes of Dr. Freeman's family. After all, Dr. Freeman left his information to his family and I want to respect that fact. I was encouraged by those I have confidence in on this site to share the info.

On this site, musicman has set up links to hear FA music. Also, he has various CD's he can share with you if you email him. I also want to respect the families of those who have gone on to be with the Lord and their music.

I do have the requirements list. I have not been led to share them as they pertained to FA and for that particular body. Others here on OO agree with me as well.

You can find Claire Grace's and Anna Schrader's books online by googling for their particular sites.

As far as the remakes, originals, and courses not offered by Faith Ministries, I will respect the recent list of tapes available through Faith Ministries & Publications.

I hope this helps you in your study endeavors.
