Honorary, Gee thanks, I'm at a loss for words (almost)

So when I get to Detroit, MI. I take a right, head northeast and just keep my eyes peeled for Haysville, eh?

Want me to bring some of our 98 degree temps/110 heat index, weather along?

I'm having a hard time connecting up with Dave(Brodav9) and we only live 35 mi. apart...

Hope you guys have a blessed time, maybe we can get together at one of Tom Hamilton's

meetings in TN. someday.
