My wife would like a copy of the 82' and 86' seminar, tape but cd would be even better! Any help? I had a trailer burn down last year and lost 1000's of tapes, thank you. Danny.

Hello!

I have been working on different projects in the music section for quite some time.

I have about 12 tapes from seminars that I will be getting on the new music section.

I am pretty sure that one particular seminar is included.

I will, ASAP, get those on here so everyone can download them and be blessed.
