glad I am not locked out of OO. it was temporary. it wouldn't accept my pass word.

I am blessed with 7 cats and 3 dogs. As the very cold weather came in and is getting colder, there is a warm place for all but one dog. well as the picture of election goes, he is staying in a room with my wife. He is behaving and that was a issue in the past.

I would say the best place than the others. He has special grace above the others. They are the others are also blessed. Just like us and all of them God faithfully provides daily.

Like one sheep going astray, allegory that is-- God will go after that one who seems left behind and give special grace. God cares for us like sparrows, not one will fall that God will see to it and it's needs.

My prayers of faith go out to all America for God (Jesus to provide through the winter storms.
