" I see a plague coming on the world, and the bars, churches and government will shut down. The plague will hit New York City and shake it like it has never been shaken. The plague is going to force prayerless believers into radical prayer and into their Bibles, and repentance will be the cry from the man of God in the pulpit. And out of it will come a third Great Awakening that will sweep America and the world"

David Wilkerson in 1986

In the Old Testament the people avoided the Prophecies of the Prophets in their day and time. The Lord spoke many times and said the people had become dull of hearing they had eyes to see but could not see and ears to hear but could not hear.

I remember when David Wilkerson shared the "Vision" given to him by God, he said many ministers mocked him and ridiculed the vision.

The Vision: [https://www.youtube.com/watch?v=l\\_R9I-qQEbs](https://www.youtube.com/watch?v=l_R9I-qQEbs)

The prophecy he gave in 1986 came much later. Either way its interesting to see what some of these men of God had to say. And as we all know if a man has a prophecy and it does not come to pass were not to listen to anything he has to say.

Deut. 18:21 And if you say in your heart, 'How shall we know the word which the Lord has not spoken?'-- 22 when a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

There are many today who call themselves Prophet or Apostle, you do not hear much of people calling themselves a slave or servant of Christ. Many false prophets will come at the end of time.

I shared the post above to note that it sounds like what is going on in the earth today. This unique event sweeping the world, who would of ever thought our churches would be shut down in America?

Luke 21:11 And there will be great earthquakes in various places, and famines and pestilences; and there will be fearful sights and great signs from heaven.

In Him,

I see on facebook people talking about all this as the beginning of the birthpangs etc. I do believe it is endtime related just going too far. Jesus said the first thing to happen is a persecution of believers. He has to clean his own house before he deals with the world. Luke 21/12 Interesting to see Wilkersons prophecies coming to pass though.

I sent you a PM Gary.

I have some reservations about that. He was right about other things so we will see.

Like the Lord said:

Deut. 18:21 And if you say in your heart, 'How shall we know the word which the Lord has not spoken?'-- 22 when a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

I would like to see a great revival take place. Many people are in fear in our area having no hope. I would think that the shutting down of churches in America one would see the Lord is trying to get everyone's attention. He has brought many things to a stand still in this country. I believe no matter what happens God is in complete control of all major events. I'm just thankful that God is for us and not against us.

On the internet everyone gets carried away you always have to take whats said with a grain of salt.

In Him,  
Gary
