In Judges Chapter 10: let's take a look at a few things.

v.1-5 A lot of historical here.

v. 6 uh oh Israel is getting into bad things here. Let's call it big sin.

v.7-9 God allows trials tribulation and extreme misery.

v.10-11 God reminds of his deliverance--Salvation-- (my you have grieved my Holy Spirit).

v.13-14 God is amazing he says here, no more deliverance cry all you want. v.15 The people say, we have sinned and deserve your righteous judgment. Here's why God is amazing. He sees their faith. They are going to act as if he never said no more grace. They are going to pick up the pieces (The good word they have been taught) Will get their righteous act together and quit all those whoredoms with the world and it's gods.

v.16 Here it is God's compassion. They abused his grace but humbled themselves and said we are wrong but we know how to act right and we will do it.

v. 17-18 it doesn't seem like they would be so confident in their faith to go and win a war with God as their helper ( the good fight of faith) unless they knew they were restored. Other wise just keep on doing the right things. remember they were under the law. Disobey meant death. Look how good we have this grace of Jesus 1Jn.1:9. remember also if you put your hand to the plow there's no turning back. Grace----to---you---precious ---blood. Notice how I make a message apply for today.
