We've spoken about her website here in the past. It's unbelievable the amount of sin in the church (world wide) the website has uncovered.

Sexual sin.

Legal but improper (for a christian) financial improprieties.

Bullying and cult like behaviour

And on and on and on . . .

My opinion is that God is going to clean house but that for all practical purposes he hasn't really started yet.

Luke 3:17-22 New King James Version (NKJV) His winnowing fan is in His hand, and He will thoroughly clean out His threshing floor, and gather the wheat into His barn; but the chaff He will burn with unquenchable fire." And with many other exhortations he preached to the people.

It seriously makes me want to carefully walk that straight and narrow path.
