I am led to give a few testimonies of prosperity to encourage the brethren. I am a giver when ever possible to God's work and have done that abundantly. That was according as I purposed in my heart not by any rules or laws. God is glorified when we give testimony to his faithfulness. This is a secret to our prosperity. I have seen many struggle with the prosperity and healing message which is really a small part of our inheritance. My joy has been more in the other riches in glory than the former. Matt. 6:33 seek first the kingdom of God and his righteousness has been a joy to me. my first out of many is when my father in law bought a oldsmobile and had it painted for \$800.00. He had it just a few months. My wife and I went on vacation to Fla. after a week we headed home The radiator started overheating and we kept putting water in it. after the long trial(drive) home we pulled up to the house. The vehicle never started again. When we got home we stopped at my wife's parents house. as soon as the door opened papa handed us the keys to the car I mentioned earlier. and said it yours. I knew that God was right on time for providing us with transportation. My father in law bought that car already having 2. He just liked it. He didn't know God was behind all that. My joy is God can do that for you. One day a certain fivefold minister was given the keys to a Lincoln continental. I had the priviledge of driving him in it when going with him to play bass in his meetings. have you ever had a vision from God ? They are awesome beautiful.
