I have heard bits and pieces about the Jewish people will be celebrating "the Passover " in their homes this year because of the virus. Someone also said that the crucifixion and resurrection of Jesus will be at this same time period.

Has anyone heard what is taking place over there?

I did hear that the Jews are considering reinstating the sacrifice of a lamb on the Day of Atonement. I don't know if this is just the Orthodox Jews or its nation wide.

I can see where sacrificing an animal would be looked down upon by the world.

If anyone has the facts on this it would be appreciated. I'm going to keep checking to see what I can find out is fact and not fiction.

In Him,
Gary

The only attempt to sacrifice a goat, was with a small amount of religious Jews. The goat was taken away safely. This was back in April of 2017.

Maybe that whole thing was internet rhetoric, but everyone is talking like its going to happen soon.

Well Praise God. Here we sit with over 2000 years of history behind us and were facing an empty tomb.

Christ rose from the grave fulfilling His Word that He had spoken. What a wonderful time is this to know God has made a way so we could be partakers with the saints in light.

The Lord was in His thirties and He allowed men to scourge Him and place Him on the cross so we could receive forgiveness of our sins. This is wonderful news for those who are called according to His purpose.

For we must all stand before the judgement seat of Christ and give account of ourselves. Those who are not written in the Lambs Book of Life will be cast into outer darkness. There is still time for people to repent of their sins, Praise God.

We have very much to be Thankful for everyday of our lives.

In Him
Gary

We sure do Gary, The God of ALL creation loved us so much that He was willing to die to save us. That's not because we're worth the price within ourselves; it is all about His love and mercy. Six words says it all, "It is finished ...He is risen "
