Hi, I went to FA when I was a teenager. I was wondering if anybody knows where Kayle or Karla Knafel are? Or Paul and Barb Beigh? I've read some about the Oswalds but what about DeeDee Oswald? I'd love to know how to get in touch with her or just know how she was doing.

Hi snowgirl,

Welcome to the forum!

Didn't Terry Knafel move to Florida in the late 80's?

Duncan perhaps can answer about DeeDee (was that her real name?)

Someone mentioned the Oswalds™ in another place on the board, you might want to do a search.

As I sit here thinking about it, I'm reminded of a guy by the name of Dominique Polatano (not sure about the spelling) he would have been around the same age as the Oswald children. I vaguely remember working with Dominique at Fairmont Homes in Nappanee IN in the 80s, perhaps someone remembers him?

Also, Joe Clark, who was about the same age, was one of my co-workers... does anyone remember him?

The other thread mentioned Cal Roach... he also worked with me at Fairmont for a brief period. His sister Colleen Roach was married to a close friend, Steve Campbell.

Blessings,  
William

Deedee Oswald married Dominic Politano and they live in North Manchester. They are doing well.

I know for a fact that the Knafel's were in Florida in the late 80's. We lived in Homestead, FL for about 10 months, and drove up to attend their meeting, can't remember where it was exactly! That would have been late in 1987!

I don't know if you ever got your answer, but Terri and Gracie divorced. I think Gracie has a web site and she keeps all updated. I will try and get it for you. Don't know what ever happened to the Beigh's.
