For all the regulars here as well as the lurkers readers and other assorted flotsom the handle Hardbones has passed on. Like a dreadnaught fading into the mist of the night. The gulls screaming in the still thin air . . .

In his place a new handle. One that is spiritual, intelligent, street smart, savy, capable, cheerful, did I mention "humble"

In lieu of any outpourings of grief at the passing of Hardbones just send a large cheque in any amount to . . .

Well just to be clear here for various reasons I changed my handle. Its still me. Same station different TV set.

I'll leave this up for a week or so.
