The Feasts of Israel are relevant for today:

http://www.gnfi.org/prophecy_articles_feasts_of_israel.php

http://lamblion.com/articles/articles_jews3.php

PS They are not our Salvation. Celebrating the Feasts is not operating under the Law or works. They were not done away with after the OT or NT.

I think that He may be using them to fulfill prophecy. We will see.
