I just wanted to let Hombre know that he is reaching the masses...

Last Wednesday night I was asked to teach the men's Sunday school class, and being the good calvinist I am, I accepted. Being the good arminian that I am, I quickly decided that I was going to teach a theology class, instead of the usual quarterly devos.

To make a long story short, I ended up printing out Hombre's notes on the introduction to theology (below, in the Biblical Theology section). He did a great job of extracting and remixing the standard text and since I didn't want to re-type everything his notes worked well!

So, let this be an encouragement to all of you arm-chair overcomers... your message is getting out! <grin>

Blessings,
William

P.S. Patiently waiting for chapter two!!!
