Just wanted to say 'howdie'...found you guys recently while Googling for info Re: Dr. Freeman and FA...I was deeply edified many years ago (1970's) by the teaching ministry of Dr. F. (in fact, I received the Baptism with the HS through reading his materials), but, sadly, did not keep in touch with the ministry. Glad to see you folks are out there!

I am reading through posts already on the forum...don't have anything other than that to say at present, just wanted to check in...Moulder: thanks for being a blessing in providing this forum for us all...Peace & Grace...

Hey Bob!

Great to have you here! We hope to get into some more good discussions as soon as Hombre gets through shooting varmints. I'll be busy this weekend but hope to be back in action next week. Course, Hombre's mood may depend on the outcome of the Colts/Pats game... sure hope he'll be in a good mood!<grin>

William

I will be in a good mood if the Pats win. LOL.

And by the way, I am glad to be back posting in the sanity of this room instead of trying to deal with the tag team of Healed and Odysseus. If I have the time soon, I will be posting some thoughts of interest.

And I say "Amen" to Bob who is thankful for this forum. And I say "Amen" to Bob about the ministry of HEF being a blessing. Currently I am going back and listening to the Deeper Life tapes

and I can say that they are indeed challenging.

Take care folks. I will be posting soon.

God bless.

Mark

Sorry about the Pats losing... well, not really, I'm still smarting from the Jets loss to the Pats.

I suppose Indy is the favorite in the upcoming contest.

William
