It is a special time when you find yourself alone. the bread and the cup is taken by faith. it represents the blood of Jesus and his broken body. 1Cor 11:25. as often as you drink it. it begins to put you in a fellowship that is both cleansing and will say supernatural. There is a peace comes upon you by the Holy Spirit. Great time for prayer in the Spirit. it helps apply the finished work of Christ to your life.

Very few Christians have the privilege of literally meeting with Jesus daily. The imputed righteousness and holiness of Jesus has paid the price for this experience. If you ever hear his true voice, you will never be the same again. You will have your own personal revival.-- daily.
