My wife's uncle Frank heard he was going to die,so he went to church and asked to come forward and be saved. He then went to the hospital. At this time the medicines are said to be by the Drs. unable to do any more. He is now critical. Prayers for him are that God's grace and mercy be with him.

It is so needed for people to know the truth so that they can stand against sickness so they can live to enjoy Jesus as savior for their life time.

Just heard 60 twisters touched down in Carolina. While I was at work we all were asked to stand in the safe place. When we knew the 2 tornados were coming our way, a brother and I prayed for them to miss us. God faithfully answered and they passed far away enough that we were totally no problem.

While there was talking about Jesus to people I didn't even know. A little baby in one ladies arms by me also.

We are safe in God's wonderful hands, all glory be to him.
