I just came here one day when I was looking for "bible people". I want all the saints of God to be Overcomers, and the time is short. My walk with God, really picked up steam when I concluded that I had to judge my life by - Am I like Jesus? It would do all well to judge that. If not - then it needs to be fixed. This lead me to supernatural tongues as a result of the Holy Spirit baptism, maybe I was just jabbering before (or the gift of tongues)? Later when I embraced the specific plan of God for my life (then the deliverance from demons came - which was a lot). The time is short and the enemy is at work. Let the chosen of God press on to victory in Jesus.
