the key to v.20 is v.21. You will see the , at end of v.20. So now we see something is going to happen concerning the love of God. Now if there is no understanding of the tongues you are manifesting you must be praying perfect prayers in the Spirit which is God praying through you.

Now for me there is a inner peace and wonderful knowing till God speaks in my mind and heart. When the enemy (devil) is sifting you, and all hades is breaking loose, why do I have wonderful manifestations of God's love and joy. His word becomes more wonderful than ever and wisdom manifests fluently-- not worldly.

it is like a flowing river. a free mercy manifests that I cannot brag about, only bring him glory. IT IS A GOOD RULE TO NEVER CRITICISE SOMETHING IF YOU HAVEN'T EXPERIENCED IT. Unfortunately I don't think to many have experienced it. Faith of a person with God praying through them will feel the mountain top experience which we feel we have to feel. By faith how can you be any lower when God is always in control.

God gets glory because we trust him to build us up--to go higher. That is love and mercy. Notice I said build up? Devil only tares down.

For two hours now I am full of joy and the overwhelming love of Jesus. All I can do is cry. wow I am going through another wave of his Holy Spirit. Glory to God.
