Dangerous to share this may the Lord lead me.

Our Pastor Mike showed us about how the 2 buildings at the Vatican contained women in one (nuns) and men in the other. It was found that at night they had a way under the ground to come together. They would have children and abort them. recently the question arose, why is a statue of Lucifer down in the art department down stairs. If I am mistaken it may be some form of art. To add why are Pope funerals a exact copy of Egyptian mummification. We are in need of those who expose all dangerous actions toward Christians as they are arising as Jesus said in Matt. 24.
