I've been going through the Gospels numerous times, plus comparing Old Testament Prophets with what is written in the NT.

At this point I'm convinced that the Lord wants us to trust Him in every area of our lives.

Psalm 9:10: And those who know your name will put their trust in You; For You, Lord, have not forsaken those who seek you.

Don't have all the answers by any means still waiting on the Lord. Especially in the area of healing. The Lord God is "the Lord" who heals, I believe its His Will.

For all its worth, I know you all know this but its good to refresh our memories.

Gary

Hi Gary

Nice to catch up with you and hear what you are thinking. I so agree that God desires to heal us. Then I also know that He is sovereign and His primary purpose is for us to be made like Christ. Thus going through trials and learning patience in affliction (Rom.12: 12) requires us pressing in to the Lord.

I have learnt this especially over the past year. We travelled around Australia in our caravan and so enjoyed seeing Western Australia. Caught up with people we had made friends with on the internet. Then towards the end of our trip we landed at the southern most point of Australia in Albany. I hadn`t been feeling to well, so went to the doctor. She checked me over and put me straight into hospital. The next day I had a very serious operation taking out a lot of my insides. Amazing. I stayed in hospital for a month.

We looked to the Great Physician to over see everything. We thank the Lord we were in a city with a great hospital and team of doctors because we could have been out in the Australian wilderness

that we had just come from.

I was able to testify to many and saw God move in a wonderful way in nurses and doctors. Took a while to heal but learnt -

`joyful in hope, patient in affliction and faithful in prayer.`

hope all`s well your end. God bless Marilyn.

Marilyn,

Hi, Glad to hear your doing better.

Hey would you know if Andrew Strom still has his web site going?

Just wanted to see what was going on in Australia. I did see a little video clip of a spider the size of a dinner plate at least 12" long carrying a rat up the side of a refrigerator.

It made me glad to be living here in the states. LOL

Anyway thought you might know about Andrew.
Thanks,

In Him,
Gary

Hi Gary,

Great to hear from you. Ug, haven`t seen those spiders. Surely they are in the Amazon, (ha, ha) So about Andrew. I still get his blog comments, but don`t really know too much else. Oh he is still writing about the `Kundalini spirit,` and has videos of such.

How are you and the family getting on? Do you see we are close to the Lord coming?

all the best, Marilyn.

Marilyn,

Were all doing real fine.

The Lord's Coming: I see our country falling apart, the government is fighting like cats and dogs, lying and manifesting out right hatred. It's not the same like when we were children years ago.

Christianity is being undermined and ridiculed by hollywood, the media, fueled by the gay groups. Every man does that which is right in his own eyes.

Well we knew it was coming. Things are moving rapidly around the world as well. God has been very longsuffering towards America. At least we still support Israel, even though anti-semitism is

manifesting itself, as predicted in the Bible.

I sometimes wish the Lord would end it all and return but that may be the easy way out. Once we are in eternity there will be no more chance for the lost to repent.

I have been striving to spend more time with Jesus He's changed my heart a lot but there's still areas that need work. Praise God He will never leave or forsake us. With this said I'm seeing a greater anointing on Christians with a real desire to move deeper in the Lord.

In Him,
Gary

I kind of think there we'll be a lot more take place before the Lord returns. But He could come as a thief in the night.

Hi Gary,

Glad to hear you`re all doing fine. Praise the Lord. And yes the Lord has been working on all our hearts. A lot needs refining ay. And I so agree that things are definitely not like our parents time, (though of course it depends which country you were in - certainly not Russia.) Yes evil is escalating, as you said we see from God`s word.

I also agree that the Lord will come as a thief in the night to those in darkness. However we know that to us, the Body of Christ He will not come as a thief for we are not in darkness. (1 Thess. 5: 4)

Now I actually don`t think there is much to tae place before the Lord comes. We`ll see. Also I do believe that people can turn to God in the trib, and in the millennium, though of course they will not be in the Body of Christ.

regards, Marilyn.
