Hi, I dont know if anyone can help me. I am a student at the University of Sussex, England. I am currently working on a project for my studies and was wondering if it would be possible to use a section from one of Hobart Freedman's tapes within a small scale, student based presentation. I was unsure of any copy writing laws relating to the tapes so thought it would be best to ask permission. Does anyone have an email address i could contact regards this issue? or any idea of the procedure i would have to go through?

Thank you
Sam

Hi Samantha,

Can you give us a hint as to the subject matter of your project? Is it a religious project? Just curious!

Like James said, the link to Faith Ministries is at the bottom of the page... the email address is:
