Before the great tribulation, which is to cleanse the earth in preparation for the return of Christ. God has left a tremendous hope. It is his big brooms. As you see the story in Exodus 12 You find before the Passover meal the people are using brooms to sweep up all the leaven to get it out of the house. The bread must be unleavened.

Leaven is old leftover bread added to the fresh new bread. Jesus used the leaven as a spiritual picture to show a corrupt additive to anything. Once added to a pure bread the whole loaf is effected. That is why errors and false teaching are a danger to the pure doctrine and can corrupt the saints unless as we know they are elect. The elect will be taught first then they can discern-- because then they know the truth to protect them. see Matt. 6:6,11,12 this is a example of spiritual leaven.

points in 1Cor. 5:6-8. 1. just a little leaven is all it takes to ruin the whole lump. 2. pass over here is showing the way a new lump is made. must sweep out the old leaven. 3. old spiritual leaven is wickedness and malice. the new is sincerity and truth.

We are God's brooms to rid the Earth of as much leaven as we can by his power. Then he will come and do the big cleansing and bring his reign of righteousness without leaven.
