Some time ago This happened.

Where I was working I was allowed to have scrap wood that was not of value anymore. It had some value to me and so I put it up for sale in the thrifty paper. three weeks went by and almost forgot about it.

While in the kitchen with the window open(Hot day) was worshiping and praising God. This Lady came to the window and said good music. She said do you still have wood. She went out there and bought 60 dollars worth. When you are walking by faith and God supplies, it is great joy. The wood was free to me. That is just one story of God supplying according as he has promised.

I encourage you to give God glory with testimonies of his faithfulness. No test I phonies only testimonies. glory to God.
