Hi,

Someone gave me the Revelation series by Chuck Missler. I was particularly interested in what he would say about Revelation 12. He says the woman is Israel & the manchild is Christ.

I do have Hobart Freeman's teaching on Revelation on tapes, but they are causing every tape player I have to chew up the tapes.

I remember him saying something like the only explanation that fits the whole word of God is the woman is the church & the manchild is the overcomers. I can't remember what he had to say about the sun & moon.

Would anyone who has Revelation as mp3's care to have a go at emailing them to me, please? I think it would have to be done singly. There may be a limit on the size of file attachments I can receive.

God bless,

sincerely (in Australia)
