Subject: What Theology Camp are you in? Quiz Posted by william on Thu, 23 Mar 2006 15:54:23 GMT View Forum Message <> Reply to Message

This is a quiz to determine what theologian you more closely identify with... too bad Hobart Freeman isn't one of those listed.

It is interesting and pretty short... give it a try. I couldn't believe the results it gave me so I'm not sure how accurate it is!
