We have 1 complete set and most of a second set of Br. Freeman's messages that we are no longer using if anyone would like to have them. I know that most have gone to cds and dvds but it's hard to throw these cassettes away like common trash. If anyone can use them let me know.

I sure would be interested in getting them from you. PM me and let me know all the particulars, such as price and how I would get them from you. Thanks.

Sue
