Hey guys,

Maybe Mark knows more about this... I ran across this video on Facebook and it seems almost unbelievable! And we thought the good ole US of A had its problems:

They're about an hour away from us. I remember hearing it on the news. Didn't know they got hit with a fine like that though. I think as christians we should pick and choose our battles. That is not one I would have chosen. For some silly reason the gov't wouldn't even let churches meet with people sitting in their cars in the parking lot.

This whole thing is wearing very thin. We have an election on right now and there is a huge number of people protesting politically against the jabs and vacine mandates etc. Entire country is roiled up.

This is almost surreal!!

I saw a video showing in Australia they are cracking down on the whole country, its turning into a prison camp.

I would of never dreamed that this would be taking place in our lifetime.

All the world leaders are strongly coming against the Lord and His anointed.

Hi Gary did you go to Faith assembly?
I worked with a man named Gary as a helper in Middlebury. He was a finished Carpenter and attended Faith Assembly.
