I believe the great Apostasy is upon the world. and the lukewarm end time religious. Because thou sayest , I am rich, and increased with goods , and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: 18 I counsel thee to buy of me gold tried in the fire, that thou mayest be rich ; and white raiment, that thou mayest be clothed , and that the shame of thy nakedness do not appear ; and anoint thine eyes with eyesalve, that thou mayest see . 19 As many as I love , I rebuke and chasten : be zealous therefore, and repent. 22 He that hath an ear, let him hear what the Spirit saith unto the churches.

God has raised me up as end time Apostle to bring Victory to the saints, I have an anointing and teaching that will help you. If you've struggled with issues over the years - the anointing breaks the yoke. There's Victory in Jesus. 1 Corinth 11:1

Suggestion Jeff, why don't you start a thread on this teaching you have that you feel we need, and we, as followers of Christ can see if it's anointed. The Holy Spirit will help us discern if what you say is truth concerning being raised up by God as an end time apostle and He'll bear witness with our spirit to the truth of the teaching.

A person could proclaim themselves to be an airplane until they're blue in the face, but at some point they have to take to the skies to gain credibility to those to whom they've been claiming to be a plane. btw: You're not the first person make statements claiming authority over God's people,(and for sure won't be the last) He always watches over us to keep us from error and false teachings.(not meaning 'us' as an elite group, ALL His children)

Rather than make obvious statements that most of us know(probably, all of us), such as The Word teaches baptism in Jesus' Name or most people need deliverance; share the teaching you have that we don't know or understand...or how's this, actually take some time to read some of our discussions and get to know us and then start making replies in the form of conversation instead of decrees..."I am like Jesus"..."I'm having fun posting on OvercomersOnline"

Serve up some meat...Thank you.

James - I've clearly presented meat on several subjects that will make the saints strong. But they have to be applied. I'm not going to argue over every matter. If people are in Victory in Jesus, they don't need what I'm bringing. (But since most I deal with - aren't - they do need it). Continual prayer in the Spirit to be led in decisions, deliverance - sure it's been heard - Is it being realized is all that matters. (and I can tell by some attitudes and testimonies that it's not). I had a lot of troubles and struggles and Got to Victory by applying what I'm teaching. It works. To God be the Glory. Praise Jesus.

I can't really say "most". I can't think of anybody that I know who says they're like Jesus. Except me. PS- I mostly just teach the bible in an orderly fashion, like "fulfilling God's specific plan for your life". Also "who you fellowship with" which is why I'm telling people to align with me.

Here's a teaching. People that want to be in God's perfect plan - are not going to be giving a "life teaching" by membershipping in denominational churches. It's a bad example. Most of them don't practice or Teach baptism in Jesus name, or the baptism in the Holy Spirit. Bible churches - Do AND Teach these things. If a church doesn't have "Baptism in Jesus Name" in their doctrinal statement - I would have Serious questions. Denominational churches are non-biblical churches. It's not what "simple" truths we've heard that justifies us - Its whether we are living them or not.

People have to be willing to travel the world if needed to get in the church God wants them in. Seek first the kingdom (nothing else before the will of God). James - Thanks for your stable approach about Church Government comment, but it has grieved me deeply that you seem to bring the more negative side to me on matters. Thanks.

and the example of X-Files references and demonic emoticons, is another matter. Jesus told us to take out the plank of our own before we try to take out the splinter (or perceived splinter) from others. Thanks.

To clarify as James pointed out. The emoticons I am referring to Again! are those two at the end that look like demons. Not all the cute little smiley faces

I was only referring to the two demonic looking emoticons at the end of the row. Not the smiley ones

Mind your own business... the emoticons stay and also the extra ones you get by clicking on the 'list all smilies' e.g.

I like them almost as much as my tagline, which, btw, I'm keeping -- thank you very much!

My business is My Fathers business. I teach that we should do what Jesus would do. If you think Jesus would post those things.../ Perhaps someones who want to please God will read these things and have wisdom. The Lord will protect His. When you identify as "Overcomers" that takes this out of the realm of non -consequential.

But hey -In a free country - People can make all kinds of sites and say and do all kinds of things. Only when it deals with God and His testimony to the world - it's a serious matter. It shall be seen

what shall be seen.

An incomplete church experience. Even though He didn't experience it - HEF taught it (kind of a keystone doctrine actually). It was called end time "restoration", and it included All the ministry that God intended for HIS Church.

Also was a book "Charismatic Body Ministry" that included all 5 ministries. Things would have been, would be better with All 5 ministries.

5 ministries was God's idea for His church - then and now.
