The question was asked on Trip Advisor what does this mean. It had a couple of different replies. I found it interesting and thought I would pass it on.

I always assumed it meant something spiritual to Jews and Christians. To tell the truth I still do. At least I'm going to regardless of the facts. It's a special experience.

I'm looking forward to doing it during the millennium as well as new Jerusalem coming down out of heaven.

Anyway here is the post.
