I thought there was a tie between Chuck Smith and Chuck Missler then I ran across this bio.

Dr. Missler gained international recognition as a Bible scholar, author and teacher. Through an informal affiliation with Calvary Chapel of Costa Mesa, California, Chuck became known for his insight into the integration of Scripture with science, history and prophecy. Over more than forty years, literally millions of Dr. Missler's teachings have been distributed and enjoyed. From cassette tapes to MP3 audio down loads, from VCR tapes to YouTube videos, the message of "The Grand Adventure" has been enjoyed by many.

Chuck Smith started Calvary Chapel in Costa Mesa, California.

Why I don't agree with everything that Chuck Smith taught, I have been very blessed by his teachings. I'm amazed that these men were teaching out west about the same time HF was teaching in Indiana.

In Him,
Gary
