God wants us to ask so our joy be full. Jn. 16:24. In the Deut. ch.28, we cover there just about everything that is a blessing or a curse.

Let's make a picture here. If you sit in a chair (now) and think of anything you do not want, absolutely anything. You can see why? Do you just tolerate it? Does it add up to any curse in Deut. 28? Does it seem to make you unhappy--even at all? It could be a trial of your faith. You know not manifested yet. You are waiting on God. Heb. 10:23 you are holding on and not giving up.

God shows us even in our old age he will carry us. Jesus said" let it be according to your faith. You can have it. Matt. 9:29. This is up to you personally. God loves us and will give anything to make our joy full. We all are growing God bless.
