First one must have the Holy Spirit to receive from God's power. God is not like a earthly father. God chooses a person and seals them. That is the anointing. God is superior to us and in John 10:11-12, He cares for his sheep. v.28 no one shall pluck them out of God's hand. In Deut. 28 All the curses of the law were for disobedience. Jesus set us free from the law and gives grace.

In Job we see God is sovereign read chapters 1-2. God may let the devil try you but not harm you. Job was a righteous man. Look at Matt. 6:33 seek first the kingdom of God and(his) righteousness. All things shall be added to you-- even healing.

It is obvious that Job knew what too do, he resisted his wife and kept praising God with confidence, even though thinking why? God. When you look at Job 42 you can see something else there. God brings voice (relationship) and instruction. Ask yourself this question. Am I forgiven. Job forgave and obeying God in forgiveness of his fellow companions. That forgiveness relationship reveals that you are worthy to receive total care, protection , deliver, heal, prosper etc.

God is in total control of the curses of the devil. He will not suffer us more than we can bare. Get off the fence and fight the good fight of faith and lay hold of eternal life.

I lay on the death bed more than once. I also lay there with a bible. If you can see the Betty Baxter story on you tube. She is there telling it. remember God cannot lie, his promises are yes and amen. 2 Cor. 1:20. faith works by love and boy that is Jesus.
