When things are misunderstood, esp. in a time where doctrine is not important to most professing christians, there are those who are Spirit filled and learn things not heard of by believers who are not filled with the Spirit. Doctrine becomes sour milk when not if not brought to life by the Spirit.

The letter killeth but the Spirit giveth life.

Job was going through tremendous attacks by Satan and his friends were helpers to that. But as Joseph said-- they meant it for evil but God meant it for good. We will never learn to be a overcomer without these trials. We are on the way when we learn to forgive and know that all things work for our good. Most will not receive us and we take up our cross and put self to death.
